**SORTED BY PARTICIPANTS WHO HAVE SHOT**

**AT LEAST 60 % OF THE GAMES SO FAR.**

**60% OF 36 GAMES = 21 GAMES.**

**(Sorting is to show who is eligible for awards at the end of the season)**

**The 3rd half will add six weeks (18 games) to the season, which means the total possible games shot will be 60. Sixty percent of this amount is 36--the minimum amount of games that a person has to shoot to be eligible for an award at the end of the season.**
